 - 1. Quotient — Dividing the goals for by the goals against in these games, the positions being determined in order of the greatest quotient. If a game has a goal differential of more than eight (8) goals, the goals for will be decreased until there is a maximum of eight (8) more than goals against in a given game prior to dividing (i.e. 10-1 game would use 9-1 for purposes of quotient). A quotient involving dividing by zero (0) has higher standing than a quotient from dividing by any number other than zero (0). Where two or more teams have no goals against and the quotient

- tie-breaker is required, the teams shall be ranked high to low in descending order of “goals for.”
2. Most periods won — In the games played by each tied team, points will be awarded for each regulation period won (2 points) and for each regulation period tied (1 point). Positions shall be in the order of highest point total.

 2. Most regulations wins.
 3. Differential — Subtracting goals against from goals for in these games, the positions being determined in order of the greatest surplus. A maximum goal differential of plus or minus eight (8) per game will be used in tie-breaking rules.
 4. Quotient — Dividing the goals for by the goals against in these games, the positions being determined in order of the greatest quotient. If a game has a goal differential of more than eight (8) goals, the goals for will be decreased until there is a maximum of eight (8) more than goals against in a given game prior to dividing (i.e. 10-1 game would use 9-1 for purposes of quotient). A quotient involving dividing by zero (0) has higher standing than a quotient from dividing by any number other than zero. Where two or more teams have no goals against and the quotient tie-breaker is required, the teams shall be ranked high to low in descending order of “goals for.”
 5. Most periods won — In the games played by each tied team, points will be awarded for each 36 regulation period won (2 points) and for each regulation period tied (1 point). Positions shall be in the order of highest point total.

- vi. If the above procedure does not break the tie, the teams shall use a shootout procedure as previously described. NOTE: A team may go into the tie-breaking process having defeated another of the tied teams and still not advance. NOTE: If a team forfeits any of its games, and becomes involved in any tie-breaking formula, the team that forfeited will not advance and all games played against the forfeiting team shall be recorded as 1-0 victories for all opposing teams.

- 3.4.5.1. However, legal rules of evidence do not apply and they do not have unlimited time to present their case.

Tier 1 Hockey Federation Participant Waiver

Atlantic Hockey Federation Participant Waiver

Release of Liability and Assumption of Risk Agreement

“READ BEFORE SIGNING INCLUDES ARBITRATION PROVISION IN BOLD BELOW”

It is the purpose of this agreement (the “Agreement”) to exempt, waive and relieve Operators (as defined below) from all forms of liability as a result of participation in events sponsored by Operators for any and all reasons including without limitation for personal injury, property damage, and wrongful death, including without limitation if caused by negligence, including the negligence, if any, of Operators. The Operators include Black Bear Sports Group, Inc, as well as any other affiliate league or tournament the Participant and/or Participant’s team participates in, including but not limited to the Atlantic Hockey Federation, the Atlantic Girls Hockey Federation, the Tier 1 Hockey Federation, Defender Hockey Tournaments, the National Girls Hockey League, The Show Tournaments, and any of their respective affiliates, officers, directors, managers, members, agents and employees (all referred to together as the “Operators”).

For Operator’s specific events which are sanctioned by USA Hockey, the participant (“Participant”) (and Participant’s parent(s)/guardian(s)) also certify and warrant to the Operators that the team manager or custodian of Participant’s team records has on file, written waivers from liability (USA Hockey or Hockey Canada Registration) for Participant participating in the Operators’ event(s). The Participant and/or guardian(s) understand that Operators shall rely upon the statements in this form in agreeing to accept the Participant’s participation in Operators’ event(s).

For and in consideration of the undersigned Participant’s registration with Operators, and being allowed to participate in Operators’ events and related activities, Participant (and the parent(s) or legal guardian(s) of Participant, if applicable) waive, release and relinquish any and all claims for liability and cause(s) of action, including, but not limited to, for personal injury, property damage or wrongful death occurring to Participant, arising out of participation in Operators’ events, the sport of ice hockey, and/or activities incidental thereto, whenever or however they occur and for such period said activities may continue, and by this agreement any such claims, rights, and causes of action that Participant (and Participant’s parent(s) or legal guardian(s), if applicable) may have are hereby waived, released and relinquished, and Participant (and parent(s)/guardian(s), if applicable) does(do) so on behalf of my/our and Participant’s heirs, executors, administrators and assigns.

Participant (and Participant’s parent(s)/guardian(s), if applicable) acknowledge, understand and assume all risks relating to ice hockey and understand that ice hockey activities involve risks to Participant’s person including bodily injury, partial or total disability, paralysis and death, and damages which may arise

therefrom and that I/we have full knowledge of said risks. These risks and dangers may be caused by the negligence and/or willful misconduct of the Participant or the negligence and/or willful misconduct of others, including the Operators identified above. These risks and dangers include, but are not limited to, those arising from participating with bigger, faster and stronger participants, and these risks and dangers will increase if Participant participates in ice hockey activities in an age group above that which Participant would normally participate in. I/We further acknowledge that there may be risks and dangers not known to us or not reasonably foreseeable at this time. Participant (and Participant's parent(s)/guardian(s), if applicable) acknowledge, understand and agree that all of the risks and dangers described throughout this Agreement, including those caused by the negligence of Participant and/or others, are included within the waiver, release and relinquishment described in the preceding paragraph. I/We acknowledge that all Participants are required to have and do have his/her own medical insurance coverage. I/We further agree and acknowledge that complete hockey equipment, including mandatory equipment required by both the Participant's team's home club and league's governing body is required to be worn during Operators' events and it is understood by the team that any Participant who does not possess the required equipment shall not be permitted to participate in any of Operators' activities. For Participants participating in USA Hockey sanctioned events, Participant (and Participant's parent(s)/guardian(s), if applicable) also agree that Participant is a member in good standing of USA Hockey, Inc. and is bound by all of USA Hockey, Inc.'s rules and regulations.

Participant (and Participant's parent(s)/guardian(s), if applicable) acknowledge, understand and assume the risks, if any, arising from the conditions and use of ice hockey rinks and related premises and acknowledge and understand that included within the scope of this waiver and release is any cause of action (including any cause of action based on negligence and or willful misconduct) arising from the performance, or failure to perform, maintenance, inspection, supervision or control of said areas and /or events and for the failure to warn of dangerous conditions existing at said rinks and/or events, for negligent selection of certain Operators, or negligent supervision or instruction by Operators. As further consideration for registration and participation in Operators' events and activities, Participant (and the parent(s) or legal guardian(s) of Participant, if applicable), hereby (1) consents and agrees that Operators, its licensees and designees and affiliates may make video and/or audio recordings of and/or otherwise film, photograph or memorialize some or all of Participant's participation in such events and activities, and (2) grants to Operators, its licensees, designees and affiliates, successors and assigns, a worldwide, perpetual, irrevocable, fully-paid, royalty-free, transferable and sublicensable right and license to use, copy and disseminate Participant's image and personal attributes, and to modify and present same in any form, manner and media, now known or hereafter devised, for any purpose whatsoever.

I/We willingly agree to comply with the stated and customary terms and conditions for participation in the Operators' events. If, however, I/We observe any unusual significant hazard during my presence or participation, I/We will remove myself from participation and bring such to the attention of the nearest official immediately.

Participant (and Participant's parent(s)/guardian(s), if applicable), agree if any third-party claim for Participant's personal injury or wrongful death is commenced against Operators, he/she shall defend, indemnify and save harmless Operators from any and all claims or causes of action by whomever or wherever made or presented for Participant's personal injuries, property damage or wrongful death.

Participant and Participant's parent(s)/guardian(s), if applicable), acknowledge that they have been provided and have read the above paragraphs and have not relied upon any representations of Operators, that they are fully advised of the potential dangers of ice hockey and understand these waivers and releases are necessary to allow amateur ice hockey to exist in its present form. Significant exclusions

may apply to USA Hockey, Inc.'s insurance policies or Operators' insurance policies, which could affect any coverage you may have. For example, there is no liability coverage for claims of one player against another player, and Participant and Participant's parent(s)/guardian(s) waive any rights to make a claim against the Operators for this or any other reason.

diseases; however, we cannot guarantee that you or your child(ren) will not become infected while attending our facilities. We are all in this together and rely on each other to adhere to the above-mentioned guidance and legal restrictions. The undersigned fully understands and acknowledges both the known and potential dangers of utilizing the/our facilities, services, and programs and acknowledge that use thereof by the undersigned and/or such participating children may, despite our reasonable best efforts to mitigate such dangers, result in exposure to communicable diseases, which could result in quarantine requirements, serious illness, disability, and/or death.
